**2024 ANNUAL COMMUNITY SURVEY**

**HAVE YOUR SAY**

**I want to know what issues concern you the most**

Stay informed and subscribe to the monthly newsletter at [www.lenwebber.ca](http://www.lenwebber.ca)

This is my annual community survey and the results greatly determine how I prioritize my time and energy on the issues of most importance to our community. The list of topics is based on the most common issues I have received correspondence on in the past year.

I hope you are able to appreciate the importance of returning this survey to ensure that I represent our community accurately. Feel free to attach an additional page with your comments. I read each of the responses and value the perspectives people share with me.

As part of my pledge to represent your views in Parliament, I have regularly consulted with you on important issues through my community mailings and online surveys. This feedback, along with the hundreds of letters and thousands of emails, helps me to better represent our community — even if it is not always in line with my party’s position.

On the next page, you will find a selection of the online and mailing surveys I have done in the riding in the past year. Your participation helps me prioritize my time and resources on the issues that matter the most.

My monthly email newsletter provides the community survey results and I would encourage you to sign up at www.LenWebberMP.ca or by using the QR code on the back of this mailing. Email communications are both an efficient and effective way for me to share important information with you.

If can be of assistance to you or your family, please do not hesitate to reach out to my office for help.

Kind regards,

Len Webber
